FORT ST. GEORGE, 21st July, 1826.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council considering it improper that any Officer serving regimentally should, under any circumstances, be entitled to higher personal allowances (on account of

regimental duties) than those which are attached to the Command of his Corps—it is directed that when an Adjutant, or Quarter Master, may become Senior Officer, and entitled to the Command allowance, he shall temporarily transfer his regimental Staff duties to the next Senior, or other Officer who may be regimentally present with the Corps at the same station; but, if it should happen that no other Officer is available, the Personal Staff allowances are not to be drawn, in addition to the Command allowance by the same Officer—he is however permitted, in such cases, to receive the Office allowances of his Staff appointment, in order to defray the charges of Writers and Stationery incidental to the vacant Staff Office.

By order of the Honorable the Governor in Council.

(Signed) R. CLIVE,
Secretary to Government.

No. 136.

FORT ST. GEORGE, 21st July, 1826.

G. O. BY GOVERNMENT.

1st. The Honorable the Governor in Council has deemed it expedient to cancel that part of the General Order of the 5th August last, by which Rupees 600 and Rupees 500 per month were authorized for Artillery Commands, and to direct that the following Allowances be established in lieu thereof.

2d. Officers Commanding Corps of Artillery regimentally, being in receipt of the established allowance of Rupees 400 per month, are not to receive any additional allowance on account of extra Details of Artillery, which may be placed under their Command, whether in the Field or in Garrison.

3d. When the Command of the Artillery of a Field Force, or at a field, or full batta Station consisting of more than a Troop or Company, shall devolve upon an Officer not in the Command of a Corps, he is to receive, if a Regimental Field Officer, Rupees 300; if of inferior Rank, Rupees 200 per month; but these allowances are not to be payable to Officers Commanding Detachments therefrom.

4th. The Senior Officer of Artillery in a Brigaded Force, if a Regimental Field Officer, will be allowed a Brigade Major, and the allowances of an Officer Commanding a Brigade.

5th. When Troops of Horse Artillery, whether European or Native, may be detached, an Acting Troop Adjutant will be allowed to each, on the allowance of Rupees 70 per Month laid down in General Orders 9th March 1819.

6th. When a Troop or Company of Artillery may be serving at the same Station with the Head Quarters of a Brigade of Horse or Battalion of Foot Artillery, the Regimental Adjutant or Quarter Master, as may be directed by the Officer Commanding, is to execute the Staff Duties of the whole, receiving an extra allowance of Rupees 35 per Month for Writers and Stationery on account of the extra duty; in such cases, therefore, no separate Staff will be allowed for the Artillery at such Stations.

7th. When a Troop of Horse Artillery may be at a Station with a Company or Detail of Foot Artillery, not being the Head Quarters of a Corps, the Acting Troop Adjutant is to act as Staff to the Senior Officer Commanding, and to execute the duties of the whole; receiving an extra allowance of Rupees 35 per Month on that account, as provided in the preceding Paragraph.

8th. At Stations not being the Regimental Head Quarters of any Corps of Artillery, and where there may be no Horse Artillery, or a Detail only (less than a Troop) with a party of Foot Artillery, the necessity of a Staff Officer for such inferior Artillery Commands will be taken into consideration, in each case, by Government; and if such an appointment be deemed requisite, an Acting Adjutant will be nominated on the allowance of Rupees 70 per Month abovementioned, without reference to the Details being composed of Native or European Artillery.

9th. Regarding the extra pay and allowances of Artillery Officers appointed to the Horse Brigades, the following rules are to be observed in future. On the appointment of Officers to the Horse Artillery, their extra pay and allowances are to be governed by the Regulations applicable to Staff appointments—that is, they are to be payable from the date on which the Officers join for the performance of Regimental duty; and on removal by promotion or otherwise, they are to receive the extra pay and allowances until relieved—it is to be understood from this Regulation, that no Officer can have any claim to Horse Artillery pay and allowances, who has not joined the Corps for Regimental duty.

10th. In regard to the absence of Horse Artillery Officers from their Corps, the rules laid down in General Orders 24th July 1819, are to be adhered to, which provide "that Officers of the "Brigade of Horse Artillery, when absent on furlough in Europe, or when appointed by Government to "permanent Staff situations and Commands, are not entitled to Horse Artillery pay in the one case, or "pay and allowances in the other; but *temporary* Staff employ, or detached duty, is not to deprive them "of the pay and allowances of the Horse Artillery, while they remain on the strength of that Corps."

11th. The temporary detached duties above alluded to, which are not to deprive Horse Artillery Officers of the extra pay and allowances of that Corps, are to be understood in a strict sense, such as being detached as a Member of a Court Martial or Committee, being nominated pro-tempore, by a subordinate authority to act in a Staff situation, until an appointment by Government takes place, &c.; but a Horse Artillery Officer ordered to take the Field for Foot Artillery or Staff duty, succeeding to a Command (either as Senior Officer or by appointment), or appointed *Acting* Commandant of Artillery during the absence of the Senior Officer in Europe, in these or any similar cases, Horse Artillery Officers are to be considered as coming under the above provision regarding *permanent* Command or Staff duty, and therefore not entitled to Horse Artillery pay and allowances—should any cases however occur in which these provisions may appear to warrant an exception in favour of the parties concerned, the Government will take them into consideration on the representation of His Excellency The Commander in Chief.

12th. The Officers who may have Commanded Corps of Artillery in addition to the Command of Divisions being those to whom the allowances specified in the 1st Paragraph were payable, are authorized to draw them up to the 31st Instant; but, in other respects, the foregoing provisions are to operate

with regard to all unadjusted claims connected with the General Order 5th August last, equally as regards Artillery Commands, as Horse Artillery pay and allowances.

By order of the Honorable the Governor in Council.

The following extracts from the Confirmed Proceedings of an European General Court

Martial held at Bellary on Monday the 17th day of July 1826, and continued by adjournments by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Bombardier Edward Leake, D. Company 1st Battalion Artillery, confined to the Barrack Guard by my order on the 5th June 1826.

Crime—For Manslaughter in having struck several blows at Gunner Patrick Leary of the same Company, one of which caused his death in the Artillery Barracks on the forenoon of Monday the 5th June 1826.

BELLARY, 28th June, 1826. (Signed) T. H. HOCKLEY, Captain, Comg. Arty. at Bellary.

By order.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

Finding—Guilty of Manslaughter; but the Court acquits the Prisoner of having been the immediate cause of the death of Gunner Leary by a blow, as stated in the Charge, which in their opinion was occasioned by a fall in which his head came in contact either with a box or on the flags, and which fall was in consequence of a blow received from the Prisoner in a fight in which the deceased was in a state of intoxication and the aggressor.

Sentence—The Court having found the Prisoner guilty of Manslaughter as above stated, but it appearing that no malice whatever existed, the Prisoner having tried to avoid the contest, and having been already confined in Irons six weeks, they do not award any further punishment.

(Signed) H. O'BRIEN, Captain, Dep. Judge Advocate General.
(Signed) THOS. WILLSHIRE, Lieut. Col. H. M. 46th Regiment, and President.

Under all the circumstances of the case and as the finding is virtually an acquittal, I confirm the Proceedings.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

Remarks by His Excellency The Commander in Chief.

The Court finds the Prisoner "guilty of Manslaughter," but, it appearing that "*no malice whatever* existed," and the said Prisoner "having already been confined in Irons six weeks," it "does not award any further punishment."

1st.—The *finding* of the Court involves an anomaly, in as much as that the only difference between Murder and Manslaughter is that Murder is upon *malice aforethought*, and Manslaughter upon *a sudden occasion*; so that the *absence of all malice* is of the very *nature* of Manslaughter, and cannot be received in extenuation thereof.

2d.—The Court having found the Prisoner guilty of a Felony in Manslaughter, does not award any punishment thereupon. It was not within the competence of the Court to pretermit the penalty of the Crime proven: but it was within the discretion of the Court, after awarding punishment, to submit to The Commander in Chief the expediency of remitting the same, under all the circumstances of the case, and in consideration of the confinement in Irons suffered by the Prisoner previous to trial.

The Prisoner to be released and to return to his duty.

Gunner James Symonds, D. Company 1st Battalion of Artillery, confined to the Barrack Guard by my order on the 5th June 1826.

Crime.—For aiding and abetting Bombardier Edward Leake, D. Company 1st Battalion of Artillery, in striking several blows at Gunner Patrick Leary, of the same Company, whereby he (the said Gunner Patrick Leary) lost his life in the Artillery Barracks on the forenoon of Monday, the 5th June 1826.

BELLARY, 28th June, 1826. (Signed) T. H. HOCKLEY, Captain, Commanding Artillery at Bellary.

By Order.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

Finding.—Not Guilty.

(Signed) H. O'BRIEN, Captain, Dep. Judge Advocate General.
(Signed) T. WILLSHIRE, Lieut. Col. H. M. 46th Regt. and President.

Approved and Confirmed.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council is pleased to direct that the following General Order by the Supreme Government be published.

Head Quarters: Calcutta, 11th *August*, 1826.

By the Right Honorable the Governor General in Council.

Fort William, 3d *August*, 1826.

No. 170 A. of 1826.—The Right Honorable the Governor General in Council having taken into consideration the heavy losses and expenses incurred by the Troops, European and Native, who were employed in the late War in Ava, Arracan and the Sea Coast of the Burmese Territory, has been pleased to resolve, that a donation of Six Months Full or Field rate of Batta shall be granted to all the Officers, Non-commissioned Officers, and Privates, of Corps, Detachments and Staff, (including permanent Establishments, not in receipt of encreased rates of Pay for this special Service,) who were so employed for a period of not less than 12 Months. This period to be calculated from the date of landing in the Burmese Territory until the final termination of Hostilities on the 24th February 1826, or re-embarkation, whichever may have occurred first.

2. To the Officers and Men of the Ava and Arracan Forces, whose period of actual Service within the Burmese Territory fall short of twelve Months, the Governor General in Council is pleased to grant a donation of three Months' Batta.

3. His Lordship in Council is further pleased to grant the donation of Six or Three Months' Batta respectively, as the case may be, to such of the Officers and Men of the Flotillas employed in the Irrawaddy, and on the Coasts of Tenasserim and Arracan, as may not have drawn the Batta awarded by the Resolution of Government in the Secret Department, dated the 19th November 1824. This indulgence of Batta to the Officers and Crews of the Flotillas, who may not have been included in the benefit of the Resolution of the 19th November 1824, is limited to Individuals on the regular Establishment of the Honorable Company. For those who were temporarily employed, suitable rates of pay or special allowance were fixed with reference to the nature of the Service for which they were engaged.

4. The donation of Six and Three Months' Batta granted by these Orders, is extended to the Heirs or Assigns of Individuals entitled to receive it, who died or were killed on Service during the War; with exception to those of the Native Troops, for whom a special provision already exists, whereby the families of deceased Sepoys on foreign Service receive a Pension from Government.

5. The rate of Batta to be regulated according to the Regimental Rank in which the Individuals

served at the conclusion of the War, death or period of re-embarkation as the case may be; unless entitled to a higher rate annexed to Staff employment.

6. Corps, Detachments, or Individuals who may have landed for the first time in the Burmese Territory subsequent to the termination of Hostilities, are to have no claim to the Batta donation.

7. Individuals who may have been employed with each Division of the Army, are to have the benefit of their collective actual Service in claiming the higher rate of donation, and Corps, &c. which may have been employed on more than one occasion during the War, (as in the case of His Majesty's 45th Foot,) are to regulate their claims accordingly.

8. Officers and Staff who may have quitted the Army on Medical Certificate, or on public duty, and subsequently rejoined it before the conclusion of Hostilities, are as a special indulgence to have the benefit of the time of their absence taken into account, in claiming the larger share of Batta.

9. The claims of all deceased Officers and Men, likewise all Absentees, are to be included in the Abstracts of Companies, Detachments or Departments. If Heirs, Assigns or Agents are in India, the amount will be paid over accordingly under the order and responsibility of the Commanding Officer; otherwise the amount of all claims of this nature will be lodged in the General Treasury until legally claimed.

10. The Batta Bills for the donation of six and three Months respectively, will be referred for audit and adjustment to the Public Departments of the Presidencies to which Corps, Departments or Individuals respectively belong.

11. Each Bill will be accompanied by a Nominal Roll of all Ranks drawn for in it, agreeably to the following Form; and Officers, &c. who may have been employed on the Staff, and whose Regiments were not serving with the Army, will prepare and submit separate Bills.

12. A Nominal Acquittance Roll of each Corps, Detachment and Department, will be prepared within one Month after the issue of the donation, shewing the manner in which the distribution has been made, and the appropriation of all Shares of Absentees or Casuals.

13. These Rolls will be deposited in the Military Audit Office, for future reference, in the event of disputed or additional claims being preferred to the donation.

14. The amount of the Batta donation will be debited to "War Charges in Ava."

15. Any Extra Batta already paid or payable under orders of the Government of Fort St. George, to the Troops of that Presidency, must be considered as forming part of the Batta donation intended by these orders, and be deducted accordingly.

Roll of Officers, Staff, Non-Commissioned, Privates and Public Establishments, belonging to Regiment who served with the Division of the Army during the Burmese War.

At Fort St. George, for the Troops serving at the Presidency.

At Saint Thomas's Mount, for the Troops serving in that Cantonment, at Poonamallee and Palaveram.

At Wallajahbad, for the Troops at that Station and in the Field Hospital, and at Vellore for the Troops serving at all other Stations in the Centre Division.

At Trichinopoly, for the Troops serving in the Southern Division.

At Vizagapatam, for the Troops serving in the Northern Division, North of the Godaverry.

At Bellary, for the Troops serving in the Ceded Districts.

At Secunderabad, for the Troops serving with the Head Quarters of the Hyderabad Subsidiary Force.

At Jaulnah, for the Troops serving with the Light Field Division of the Hyderabad Subsidiary Force.

At Kamptee, for the Troops serving with the Nagpore Subsidiary Force.

The requisite Garrison and Regimental Committees are to be previously assembled.

The Proceedings of the Committees, are to be conducted in strict conformity with the Regulations of the Service, the General Orders noted in the margin, and agreeably to the Forms laid down in General Orders dated 22d September 1822, adding thereto, a Column for the *General Number*, immediately after the Column of Rank, and particularly observing the following points.

G. O. C. C. 3d November, 1821.
G. O. G. 26th July, 1822.

It should be distinctly stated in the Column headed "*Why Recommended*," against the name of each Individual, recommended to be transferred to the *Veteran* Establishment, that he is "*Unfit for Field, but fit for Garrison Duty*;" and in the case of every Individual recommended to be *Pensioned*, that he is "*Unfit for any Duty*;" and how he became so, and the same, as the case may be, respecting Men recommended to be Discharged. It is not enough, that disease, or injuries should be stated, leaving to be inferred, the *fitness* or *unfitness* of the subjects. It is also of great importance that attestations of Commanding Officers of Corps to Character, be in no case omitted—Cases not entitled under the Regula-

tions, should be sparingly recommended by Committees, and *the ground of every special recommendation distinctly stated.*

The Committees are also enjoined, to make separate Proceedings, for *each Corps, Detachment, and Department;* and are also directed to prepare separate Proceedings for Natives attached to Regiments of Europeans, as the blending of the Names of Europeans, with those of Natives, creates much confusion, and can on no account be admitted.

The practice adopted by General Committees, of retaining their Proceedings till the whole of the Individuals to be brought before them, have been examined, is to be discontinued, and the Commander in Chief directs, that General Committees do transmit to Head Quarters, through the prescribed channel, their Proceedings by Corps, and Detachments, as soon as possible after the examination of the Men belonging to them is completed.

Officers Commanding Divisions, and Forces, in which General Committees assemble, are requested to dissolve them, as soon as their Proceedings are closed, and they have examined and ascertained, that they are prepared in strict conformity to the orders upon the subject, and the President and Members ordered to return to their duty.

FORT ST. GEORGE, 10th October, 1826.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council is pleased to publish the following extract from a General Letter from the Honorable the Court of Directors in the Military Department to the Supreme Government, and to resolve that the instructions therein contained be considered applicable to the Presidency of Fort St. George.

General Letter, dated 30th December, 1823.

Letter from 16th September 1824, Paras. 5 to 12. On the death of Major General Thomas, Government was obliged under the Regulations of 1796 to re-appoint a Major General (Martindell) who had already had a tour on the Staff. Adverting to the Non-issue of His Majesty's Brevets, owing to a state of Peace, and to the general inexpediency of re-appointing the same Officers to the general Staff, it is earnestly submitted that the Senior Colonels should be declared eligible to the same advantages in regard to the Staff as Major Generals, when there are in India no Officers of the latter rank who have not already served their tour of Staff duty. The Colonels thus appointed will vacate the situation on the arrival of a General Officer from Europe, and the time of their Service as Colonels will be ultimately considered as so much of their Service on the Staff. Another vacancy having occurred by the addition of a fifth General Officer on the Staff, Colonel Shuldham the Senior Officer of that rank has been appointed to fill it.

Para. 2. We are satisfied of the expediency of the measure proposed in these Paragraphs.

3. We accordingly authorize you, when no General Officers shall be present, except such as shall have had a tour on the Staff or shall be unfit for such a Command, to nominate Colonels to the Staff on the allowances of Major Generals.

4. A Colonel so nominated to the Staff, will however, be expected to vacate his appointment on the arrival of a General Officer eligible to replace him, and the time during which a Colonel shall have served on the Staff shall be reckoned as part of the four years' Staff tour prescribed by the Regulations, so that no Officer shall serve more than four years on the Staff except under the special circumstances provided for in our Orders of the 20th April 1803.

By order of the Honorable the Governor in Council.

(Signed) R. CLIVE,

Sec. to Government.

FORT ST. GEORGE, 10TH NOVEMBER, 1826.

G. O. BY GOVERNMENT.

The Regulations relative to the Victualling of Sick Europeans, contained in the 4th Paragraph of the G. O. G. dated 15th August 1826, are hereby cancelled, and the following Table is instituted to regulate the Diet of Soldiers both of His Majesty's and the Honorable Company's Service in all Hospitals throughout this Establishment.

DIET

DIET TABLE.

	FULL.	HALF.	FOWL.	LOW.	SPOON.
BREAKFAST.	One Pint of Tea.	One Pint of Tea.	One Pint of Tea or of thin boiled Arrow-root.	One Pint of Tea or of thin boiled Arrow-root.	One Pint of Tea, or Ginger Tea, or thin boiled Arrow-root.
Daily Allowance of Bread.	Twelve Ounces.	Twelve Ounces.	Eight Ounces.	Eight Ounces.	Left to the discretion of the Surgeon.
DINNER.	A pint of broth and twelve ounces of mutton, or beef, four ounces of rice boiled.	A pint of broth and eight ounces of mutton or beef.	A Chicken, or one half of a Fowl either made into Soup, or boiled with a portion of rice and black pepper in the form of pish pash.	Half a Chicken, or one third of a Fowl, made into soup, or one pint of Sago.	One Pint of boiled Arrow-root or four ounces of bread made into panada.
SUPPER.	Tea, or good thick Congee one pint.	The same as in full diet.	The same as the breakfast.	The same as the breakfast.	The same as the breakfast.

EXPLANATIONS.

The proportions of ingredients to a pint of Tea, are, a quarter of an ounce of tea, half an ounce of sugar, and a Soldier's dram measure of milk. A like proportion of sugar and milk is to be allowed, when ginger tea, arrow-root, or congee are given for breakfast and supper.

Each pint of broth to be made with $\frac{1}{4}$ of an ounce of barley and a due portion of greens, onions, black pepper and salt. Greens to be omitted in the broth for such patients as they may not agree with.

In cases where arrow-root or sago form the dinner, the quantity ordered, may be either given at once, or at different times in the course of the day, with a proportion of milk or wine at the discretion of the Surgeon.

The specified quantity of meat is to be understood to refer to its weight in an undressed state, including bones, and the broth is to be made from the quantity laid down in each diet. The quantity of rice to its weight before being boiled.

Toast water, barley water, milk and water, very thin arrow-root, or other diluents will be furnished for common drink, according to the judgment of the Surgeon in cases and forms of disease in which they are considered preferable to rice congee, which is to be kept in readiness at all times for the common use of the patients in general.

REMARKS.

The fowl diet and low diet of this table have been framed with the particular view of affording a proper diet for convalescents from acute diseases; much injury probably arises from patients passing at once from spoon or fever diet, to a full or even half diet of beef or mutton, and it is hoped that the present forms will be applied with a particular view to avoiding the risk of sudden changes in such cases.

The spoon diet introduced in this table is considered the most appropriate that can be used in the acute stages of almost all diseases, and it may be accommodated to particular cases of severe and lingering illness by substituting rice or sago pudding, or some other extra for dinner, instead of arrow-root.

When it is wished to put any patient on a milk diet, this also may be done by ordering a pint of milk morning and evening instead of the breakfast and supper that are laid down in this description of diet.

With these exceptions it is expected that the forms of diet, here exhibited will be undeviatedly adhered to.

The Honorable the Governor in Council is pleased to order, that bread, and provisions of every description, shall be furnished to the Sick by the Surgeons holding contracts for these supplies, in conformity to the above regulation of diet, and invariably of the best quality. Any modification of the prescribed forms of diet that tends to lessen the cost of them to the Surgeon is in an especial manner prohibited.

Should it happen on any occasion that the articles specified cannot be procured, the best substitutes are to be provided in lieu of them, for the time; the circumstances which led to such substitutions being always particularly reported to the Superintending Surgeon in the first instance, and by him to the Medical Board.

Printed Copies of the above Diet Table with the explanatory remarks are to be hung up in all Hospitals and renewed as often as may be necessary.

21ST NOVEMBER, 1826.

The following Extracts from the Confirmed Proceedings of an European General Court Martial, held at Fort St. George on Wednesday the 1st day of November 1826, by virtue of a Warrant of authority from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. T. S. Commander in Chief, are published to the Army.

Lieutenant Oliver Frederick Sturt of the 16th Regiment of Native Infantry, placed in arrest by me, upon the representation of Lieutenant Richardson and Lieutenant Coles of the same Corps, on the following Charges.

1st.—That he, Lieutenant Oliver Frederick Sturt of the 16th Regiment of Native Infantry, did on the public drive at Vellore, on the evening of Tuesday the 19th September 1826, traduce the character of Lieutenant Richardson of the same Corps, by falsely and maliciously asserting that he, Lieutenant Richardson had said "that those who tiffed or dined with Mrs. Dyer were Gentlemen, and the rest were Blackguards," or words to that effect.

2d.—That he, the said Lieutenant Oliver Frederick Sturt, did, on Wednesday the 20th September 1826, falsely deny having used the above expression.

3d.—That he, the said Lieutenant Oliver Frederick Sturt, did, on the 20th September 1826, in a note of that date, addressed to Lieutenant Richardson, use these expressions, "The report which has been made to you is the most wanton act of mischief I ever heard on the part of the person who made it, the whole being a shameful falsehood from beginning to end;" the expressions specified above, tending to stigmatize the character of Lieutenant Coles, as Lieutenant Richardson's informer.

4th.—That, throughout the above named transactions, and up to the present date, he the said Lieutenant Oliver Frederick Sturt has, by subterfuge and evasion, denied Lieutenant Coles any satisfactory explanation of, or redress for, the aspersions thrown upon his character.

The whole or any part of the above conduct being scandalous, infamous and unbecoming the character of an Officer and a Gentleman.

Vellore, 25th September, 1826. } (Signed) J. ANDERSON, Major, Senior Officer, in charge 16th Regiment N. I.

By Order,
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

Revised Finding and Sentence.—The Court having most maturely weighed the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Lieutenant Oliver Frederick Sturt hath urged in his defence, and the Evidence in support thereof, is of opinion:

Finding on First Charge.—Guilty of uttering the words specified in the charge erroneously, but not falsely or maliciously, or with the intention of traducing the character of Lieutenant Richardson.

Finding on Second Charge.—Guilty of having erroneously denied the words, but not falsely as set forth in the Charge.

Finding on Third Charge.—Guilty of writing the note to Lieutenant Richardson on the date specified, but not with a view of stigmatizing the character of Lieutenant Coles, as it does not appear that at the time of writing the aforesaid note, the Prisoner was aware of Lieutenant Coles being the informer.

Finding on Fourth Charge.—Not guilty.

The Court is further of opinion, that the conduct of the Prisoner does not, in any of the instances proved, appear liable to the imputation of being scandalous, infamous or unbecoming the character of an Officer and a Gentleman.

Sentence.—The Court having found the Prisoner guilty to the extent before recited, which conduct being irregular, doth Sentence him the said Lieutenant Oliver Frederick Sturt, to be reprimanded in such manner and at such time and place, as His Excellency The Commander in Chief may deem proper.

(Signed) ROB. MURCOTT, Captain, Deputy Judge Advocate General.

(Signed) CHARLES DEACON, Lt. Col. and President.

This Sentence is not confirmed.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

The Commander in Chief cannot but remark upon the extraneous evidence offered upon the Prosecution on the 4th Charge, and admitted by the Court, without regard to the representation made thereupon by the Deputy Judge Advocate conducting the Proceedings, founded on an opinion, upon a similar point, by the Judge Advocate General, admitted and acted upon by the Court in a previous part of the Trial. Had the proof held, the Prisoner must have been found guilty, on the 4th Charge, upon evidence not applicable to the accusation preferred against him. It is the special duty of the Judge Advocate to inform the Court of any attempt to bring forward extraneous evidence, and such representation having been made by him, the full responsibility of such undue admission must rest with the President and Members of the Court themselves.

Of the other Charges Lieutenant Sturt is found guilty. On the first of repeating certain injurious expressions, as originating in another, (which appear nevertheless from the evidence to have been mainly contrived by himself;)—and again on the second charge of *denying* that he had used these expressions—such conduct is characterized as *erroneous* and *not false*, a distinction which not only appears to be in direct opposition to the evidence before the Court, but also to involve a positive contradiction in the Finding upon the first and second Charges.

The Commander in Chief therefore finds himself under the necessity of declining to confirm the Sentence of this Court; as consistent with his own ideas, he could not find terms to carry it into execution. He cannot allow the degrading imputation upon the character of the Madras Army, that mischievous falsehood and prevarication *can* be considered by it as merely trifling errors worthy only of a common reprimand. How it has happened that the Court, finding the Prisoner guilty of the facts on the three first Charges, should so have changed the character of them is inconceivable: but, while the Commander in Chief is inclined to attribute this to a charitable leaning on the part of the Court to the Individual and his Family, he is compelled to notice that the Members of a Court are bound to *do justice* and can only *recommend for mercy*. He is bound to remind them that it is their duty to support, not only the Discipline but the character and honor of the Army to which they belong. How far this object has been held in view in the definition here resorted to, it is not for him to dilate upon.

The Sentence not being confirmed, the Prisoner is to be released and return forthwith to his duty.

The General Court Martial directed to assemble in the Court Martial Room of Fort St. George in General Orders of the 24th ultimo, and of which Lieutenant Colonel C. Deacon, C. B. of the 40th Regiment Native Infantry is President, is dissolved.

A General Court Martial will assemble in the Court Martial Room in Fort St. George on Friday next the 24th Instant, at 10 o'clock, for the trial of all such Prisoners as may be brought before it.

12TH DECEMBER, 1826.

His Excellency The Commander in Chief having recently remarked several instances of irregularity in the Dress and Appointments of Officers, in direct opposition to, and neglect of the Regulations of the Service, hereby again calls their general attention to the G. O. C. C. 8th December 1823, and intimates that his severe displeasure will attend any fanciful deviations hereafter from the Rules and Orders therein established, and which are too ample and explicit to be misunderstood, or to need explanation here. His Excellency however, has thought it advisable to impress upon the minds of Officers, by repetition, the following brief Memoranda of Dress as Axioms never to be departed from.

1. A mixture of Costumes is of all habits the most unmilitary. The particulars of Undress, Dress, and Full Dress, have been specified in General Orders ; and the occasions upon which they are to be worn ; and Officers must appear in them, accordingly. The Trowsers, or Overalls, attached to the Undress, are not, on any occasion, to be worn with the Dress Coat ; neither can Shoe-Buckles ever be made use of except with Knee Breeches. When Boots are worn, the Sash should always be worn also, except in the Undress of Horse Artillery and Light Cavalry, who do not wear the Girdle in "Undress." The Sash is never worn with Silk Stockings, and the Facings of the Frock Coat of Staff Officers are never buttoned back when worn with the Sash.

2d. An Officer's Sword is never so well disposed of as when by his side, and is never to be omitted when dressed for Duty, or upon occasions of Ceremony.

3d. A perfect similiarity of Dress, in all particulars, is *especially* requisite in Officers of the same Department, or Regiment, and the appearance of Officers, in different Costumes upon the same occasion, implies a defect in the economy of the Corps, and the supervision of the Senior and Commanding Officers.

While His Excellency is willing, on the one hand, to afford every indulgence to Officers, which the climate may require, when they are *off duty* and on occasions *unconnected with ceremony* ; he expects, on the other, a strict and perfect adherence to Regulation in every particular when they appear in Military Costume, either on duty or on occasions of Etiquette and Ceremony.

The following Extracts from the confirmed Proceedings of an European General Court Martial, held at Fort Saint George, on Friday the 24th day of November 1826, by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. T. S. Commander in Chief, are published to the Army.

Lieutenant Thomas Dallas of the 3d Regiment, or Palamcottah Light Infantry, charged with scandalous and infamous conduct, such as is unbecoming the character of an Officer and a Gentleman, in the following instances.

1st.—That, at Kemmendine, in the Kingdom of Ava, during the month of August 1824, he the said Lieutenant Thomas Dallas, did use indecent and unwarrantable liberties with the person of Lieutenant Percy Lorenzo Harvey, of the 3d Regiment, or Palamcottah Light Infantry, with intent to commit an unnatural crime; and that, the said Lieutenant Thomas Dallas, did repeat the same, or similar liberties, with the same intent, with the person of the said Lieutenant Percy Lorenzo Harvey, during the month of September, in the same year, on two occasions, at Tackly in the Kingdom aforesaid.

2d.—That, at Sea, during the month of November 1824, in the Ship Kurreem Khan, he the said Lieutenant Thomas Dallas, did repeatedly use indecent and unwarrantable liberties with the person of Ensign (now Lieutenant) Thomas John Adams of the 3d Regiment or Palamcottah Light Infantry, with intent to commit an unnatural crime.

3d.—That at Martaban, in the Kingdom of Ava, on the evening of the 31st December 1824, he, the said Lieutenant Thomas Dallas, did repeatedly use indecent and unwarrantable liberties, with the person of Ensign (now Lieutenant) George William Watson of the 13th Regiment Native Infantry, then doing duty with the 3d Regiment or Palamcottah Light Infantry, with intent to commit an unnatural crime.

4th.—That, at Martaban, in the Kingdom of Ava, during the month of December 1824, he, the said Lieutenant Thomas Dallas, did, repeatedly, use indecent and unwarrantable liberties with the person of Ensign Horatio Clarke Beevor, of the 13th Regiment Native Infantry, then doing duty with the 3d Regiment, or Palamcottah Light Infantry, with intent to commit an unnatural crime.

5th.—That, at Martaban, in the Kingdom of Ava, on the evening of the 5th of May 1825, he, the said Lieutenant Thomas Dallas, did, repeatedly, use indecent and unwarrantable liberties with the person of Lieutenant John Johnstone, of the 3d Regiment or Palamcottah Light Infantry, with intent to commit an unnatural crime.

ADJUTANT GENERAL'S OFFICE,
FORT ST. GEORGE,
9th December, 1825.

By order of His Excellency The Commander in Chief.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The promotion of Captain Dallas to his present rank has taken place subsequently to this Charge being preferred.

The Court having, most maturely, weighed the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner, Captain Thomas Dallas, 3d Regiment Native Infantry, hath urged in his Defence, and the Evidence in support thereof, is of opinion:

Finding on First Instance of Charge.—Guilty of taking indecent and unwarrantable liberties with the person of Lieutenant Percy Lorenzo Harvey, in the months of August, and September 1824, on two occasions, at Kemmendine, and at Tackly, but *not* with the intent to commit an unnatural crime; Guilty, on one occasion, at Tackly, in the month of September 1824, of taking indecent and unwarrantable liberties, with the person of the aforesaid Lieutenant Harvey, and *with* the intent to commit an unnatural crime.

Finding on Second Instance.—Not Guilty.

Finding on Third Instance.—Not Guilty.

Finding on Fourth Instance.—Guilty, but not repeatedly, nor with the intent to commit an unnatural crime.

Finding on Fifth Instance.—Guilty, but not repeatedly, nor with the intent to commit an unnatural crime.

Sentence.—The Court having found the Prisoner guilty, to the extent before recited, which being conduct, scandalous, and infamous, such as is unbecoming the character of an Officer and a Gentleman, it doth, by virtue of the Articles of War, adjudge him, the said Captain Thomas Dallas, to be discharged the Service.

(Signed) ROBERT MURCOTT, Captain,
Deputy Judge Advocate General,
Centre Division.

(Signed) WILLIAM SMELT,
Lt. Col. His Majesty's 41st Regt.
President.

The Finding and Sentence is approved and confirmed, and to be carried into execution from the 10th of December 1825, this day of its date.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

As it is difficult to conceive that the Crime, of which the Prisoner has been convicted, can any where exist but from the distorted propensities of an insane imagination, the Commander in Chief would, in this instance, have given that interpretation to the present case; but that, unfortunately, although this may be actually the fact, (many persons being insane on one subject alone,) nothing, excepting the Prisoner's venturing to stand a trial under such circumstances, can be found to justify Insanity being here taken as a ground of acquittal. Whether, however, it be Insanity or Crime, as the Commander in Chief cannot imagine the existence of another instance, of such a nature, in the Service; and that, consequently, the publication of such a conviction, at the head of Regiments, must, for the sake of example, be unnecessary; he directs it may be only entered on their Orderly Books. Should, however, contrary to all probability, such a circumstance again occur, the false delicacy shewn by some of the Evidence on this occasion, induces the Commander in Chief to express his hopes, that, however disgusting it may be to Gentlemen, so situated, to have their names mixed up with such odious subjects, they will not hesitate to chuse the least evil of the two, and not allow their own character to be implicated by continued familiarities and concealment. Concealment, for an hour, for an instant even, in such a case, is criminal; and a declaration of the facts, giving immediate means of Inquiry, is equally due, in justice to themselves and to the accused.

Mr. Dallas is placed under the charge of the Town Major of Fort St. George.

The General Court Martial assembled in Fort St. George, and of which Lieutenant Colonel Smelt of His Majesty's 41st Regiment is President, is dissolved, and the President, Members and Evidences, will return to their duty.

Interpreters, when in attendance upon European Courts Martial, are not, on any account or under any circumstances, to be considered as forming an integral part of the Court, to be present when the Court is closed, or to sign the proceedings as in the case of Native Courts Martial. They are merely to *attend* the Court and to afford their services, if required so to do.

The Proceedings of all General Courts Martial, whether European or Native, are invariably to be made out upon "*Demi*" Paper, leaving a blank margin of two inches, in addition to the usual margin for the Rubrick, with a view to such Proceedings being ultimately bound up in Volumes, and thereby affording greater security and facility of reference thereto.

With reference to the Promotions of the Commissioned and Non-Commissioned of the Native Ranks, His Excellency The Commander in Chief calls the attention of Officers Commanding Corps to the expediency of encouraging the acquirement of Reading and Writing by the Men of their Corps.

Every Individual above the rank of a Private Soldier who cannot read and write, must at times be in the predicament of impeding the Public Service, and, among Natives especially, the habits of study

necessary to the acquisition, must afford a favorable presage of future sobriety, industry and respectability of character and conduct.

It is, however, expressly to be understood, that this is by no means to supersede other claims of a weightier nature, or to be in itself a sufficient recommendation for promotion when such are wanting.

Corporal Thomas Regan lately discharged from His Majesty's Service and enlisted in that of the Honorable Company on the 12th Instant, is promoted to Serjeant, and appointed Quarter Master Serjeant of the 28th Regiment Native Infantry, from that date.

Adjutant General's Office,
Fort St. George,
15th November, 1826.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner, Ensign William Berry Pyper, of the 19th Regiment of Native Infantry, hath urged in his defence, is of opinion.

Finding on the First Charge.—That the Prisoner is guilty of drinking to Intoxication, at Secunderabad, on Tuesday the 24th day of October 1826, but the Court acquits the Prisoner of drinking to extreme excess of Intoxication, as stated in the First Charge.

Finding on the Second Charge.—The Court is of opinion, that the Prisoner is guilty of the second Charge. The Court in finding the Prisoner guilty, to the extent specified, considers his conduct as proved in evidence to be scandalous, infamous, and unbecoming the character of an Officer and a Gentleman.

Sentence.—The Court having found the Prisoner guilty, as above stated, doth therefore by virtue of the Articles of War, Sentence him, the said Ensign William Berry Pyper of the 19th Regiment of Native Infantry, to be Discharged from the Service.
